13 17 15 18 16 14

Spend time with someone you love. Quality time with our favourite people is the best therapy.

Get outdoors for some fresh air! Taking Claritin will help relieve allergy symptoms, so you can enjoy all summer has to offer.

Add mindfulness into your weekly routine! It's effective for reducing stress and will leave you feeling mentally refreshed.

Do you have picky little eaters in your house? Flintstones multivitamins can help fill vitamin gaps, when diet is not enough, in a convenient and tasty gummy!

Running season is finally here, which means your feet may not be as fresh. Relieve burning and itching from athlete's foot with Tinactin cream.

Walking around with a stuffed or running nose? Try using hydraSense Gentle Mist to alleviate nasal cold symptoms.

22 19 20 21 23 24

After looking at a screen all day, our eyes can get dry and tired. Take a break from electronics an hour before bed and soothe your eyes with hydraSense Eye Drops.

Create healthy habits that can help maintain immune function! **Redoxon** is a great way to get Vitamin C.

Give your skin the love it deserves by hydrating and protecting from the sun at the same time, with Coppertone Whipped Sunscreen.

Get outside! Go enjoy nature with your favourite outdoor activity.

Wear your favourite sandals with confidence. Keep your feet pretty and blister free with Dr. Scholl's Blister Cushions.

Take the time to declutter something, whether it be your bedroom or your inbox! It feels great to be organized!

27 **25** 26 28 29 30

Clear your mind with outdoor family time and leave those electronics at home! Don't forget to pack Muskol so you're ready to hit the great

outdoors!

Treat yourself to a night on the town. Dr. Scholl's Stylish **Step High Heel Insoles** will help you dance in those heels all night long!

Put your phone down today, be present and engaged.

Restore your body's natural rhythm with RestoraLAX!

Nourish your body! Tonight, cook your favourite healthy meal.

Enjoy late summer days by planting flowers in your garden, keeping Aspirin on hand in case of back or muscle pain.

International Self-Care Day (ISD)

International Self-Care Day (ISD) is a worldwide campaign encouraging responsible self-care. We celebrate Self-Care Day on July 24th as a reminder that the benefits are life long and can be felt 24 hours a day, 7 days a week. As a leader in consumer health, Bayer is passionate about bringing self-care to the forefront to help Canadians take their health into their own hands.
